VICKI M. McCARTHY - REGISTER OF DEEDS
 SUMTER COUNTY BY: K. McLeod

Pocalla Springs Rest. Cov Phase 3 on 20 lots Nov. 2012.wpd

STATE OF SOUTH CAROLINA) DECLARATION OF PROTECTIVE COVENANTS,
) AND CONDITIONS FOR
 COUNTY OF SUMTER) POCALLA SPRINGS
) PHASE 3

THIS DECLARATION, made on the date hereinafter set forth by Dunlap Properties Limited Partnership, hereinafter referred to as "Declarant."

WITNESSETH:

WHEREAS, Declarant is the owner of certain real property in Sumter County, State of South Carolina, and,

WHEREAS, The Declarant is developing the herein described for residential uses. The property upon which this Declaration of Covenants, Conditions and Restrictions is imposed is attached hereto as Exhibit "A" Description of Property, and same is incorporated herein verbatim, and made a part of these Protective Covenants.

NOW THEREFORE, Declarant hereby declares that all of the properties described above shall be held, sold and conveyed subject to the following easements, protective covenants, and conditions, which are for the purpose of protecting the value and desirability of said property for residential purposes, and which shall run with, the real property, and be binding on all parties having any right, title or interest in the described properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

ARTICLE I

DEFINITIONS

Section 1. "Association" shall mean and refer to The Pocalla Springs Homeowners Assn., Inc, its successors and assigns. Said Association has or will be incorporated as a non-profit corporation and its officers shall be elected and operate said Association in accordance with these covenants, and its By-Laws.

Section 2. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any lot which is part of the Property described herein, and which may be later added, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.

Section 3. "Properties" shall mean and refer to that certain real property herein below described as common area, and such additions thereto as may hereafter be brought within the jurisdiction of the Association. Additional areas and/or responsibilities for maintenance and upkeep may be added by the Association or as required

by these covenants, or any amendment thereto by Declarant.

Section 4. "Common Area" shall mean all real property (including the improvements thereto) conveyed to the Association by the Declarant for the common use and enjoyment of the owners. Street Medians within the subdivision, even though dedicated to the City of Sumter, and entrances and signage to the Subdivision shall be defined as part of the common area for maintenance, upkeep and beautification by the Association.

Section 5. "Lot" shall mean and refer to any plot of land shown upon any recorded subdivision map of the Properties with the exception of the Common Area, or recorded plat of any property being incorporated, or added, as a part of the Subdivision at a later date.

Section 6. "Declarant" shall mean and refer to Dunlap Properties Limited Partnership, and its successors and assigns.

Section 7. Architectural Review Committee, ARC, Architectural Review Board, and ARB shall mean the Architectural Review Committee and shall all be synonymous.

ARTICLE II PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment. Every owner shall have the right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every lot, subject to the following provisions:

(a) Additional property, as well as duties and responsibilities, may be added to the Association by the Declarant.

(b) the right of the Association to charge reasonable admissions and other fees for the use of any recreational facility, or other improvements, situated upon the Common Area, or other areas.

(c) the right of the Association to suspend the voting rights and right to use of the recreational facilities, or improvements, or any other common area property, by an owner for any period during which any assessment against his/her or its lot remains unpaid; and for any infraction of its published rules and regulations, or violation of these protective covenants.

(d) the right of the Association to dedicate or transfer all or any part of the Common Area, or improvements owned by the Association to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by its members in accord with its by-laws. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by two thirds (2/3rds) of each class of members and said dedication has been recorded in the public records of Sumter County.

(e) The Declarant, and/or the Association, reserve the right to withdraw, add to, or modify or alter the property of the Association so long as such action is approved by a majority of its voting members or as provided by these protective covenants.

(f) the right of the Declarant to grant easements for ingress, egress, installation, construction, replacement, and repair of all public and private utility and service systems. These systems include, but are not limited to water, sewer, irrigation systems, drainage, telephone, electricity, television, security, cable or communication lines and other similar equipment. By virtue of this easement, the Declarant and the Association, or their successors, may install and maintain facilities and equipment, excavate for such purposes and affix and maintain wires, circuits and conduits. However, the exercise of this easement must not unreasonably disturb each Owner's right of quiet enjoyment of his/her/its property. A blanket easement throughout the Subdivision is reserved for private patrol services, and for police powers and services supplied by the local, state and federal governments. The reservation of such easement does not imply that any such service shall be provided by the Declarant or the Association. A blanket easement on, over, under and through the lots and properties within the Subdivision is reserved to inspect, maintain and correct drainage of surface water and to take other erosion controls or any other actions deemed necessary to protect property and promote public safety. This easement shall include the right to cut any trees, bushes, or shrubbery, grade soil, or to take any other reasonable or necessary actions for the protection of health and safety, or to comply with governmental requirements.

Section 2. Delegation of Use. Any owner may delegate, in accordance with the By-Laws of the Homeowners Association, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property, and no others, unless approved in writing by the Homeowners Association.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Every owner of a lot which is subject to assessment shall be a member of the association. Membership shall be appurtenant to and may not be separated from ownership of any lot or property which is subject to assessment.

Section 2. The Association shall be comprised of two classes of voting membership.

Class A. Class members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members, and the vote for such lots shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Declarant and he shall be entitled to fifteen (15) votes for each lot owned. The

Class B membership shall cease and be converted to Class A membership on the happening of the following event:

(a) when the total votes outstanding in Class A membership equal the total votes outstanding in Class B membership.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments, or charges, as set forth herein, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, will not be a charge on the land, but shall be a continuing personal lien against the owner(s) of the said lot for which such assessment is made. Each assessment shall be the personal obligation of the person(s) who was the owner(s) of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his/her successors in title unless expressly assumed by them. Assessments shall be levied based upon the use being made of the property within the Subdivision. The allocation of the amount of the Assessment shall be made solely by the Declarant until said control of the Association passes to the Owners as herein set forth in Article III. Declarant and licensed Builders shall be exempt from said Assessment until said lot is occupied for use as a residential dwelling.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the appearance, recreation, health, and safety, in the common areas and/or the Subdivision, for the benefit and welfare of all of the residents in the Properties, and for the improvement and maintenance of the Common Areas. An individual assessment may be made against a particular parcel for the purpose of defraying, in whole or in part, the costs of any special services to that parcel.

Section 3. Maximum Annual Assessment. Annual assessments shall commence thirty (30) days after conveyance, by deed, of any part of the Common Areas by Declarant to the Homeowners Association.

(a) From and after the initial assessment as determined by the Declarant, the maximum annual assessment may be increased not more than fifteen (15%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after the initial assessment, as above provided, the maximum annual assessment may be increased above 15% by a vote of two-thirds (2/3rds) of all members who are voting in person, or by

notarized proxy, at a duly called meeting for this purpose.

©) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the costs of construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the approval of two thirds (2/3rds) of the votes of all members who are voting in person, or by notarized proxy, at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 10 days nor more than 30 days in advance of the meeting. At the first such called meeting, the presence of members entitled to cast sixty (60) percent of all votes of the membership shall constitute a quorum. No business may be transacted without a quorum present. At all meetings an owner (Lot owner) may vote by proxy executed in writing by the owner and notarized by a Notary Public, provided, said proxy is filed with the Secretary of the Association before, or at the time of the meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments may be fixed at a uniform rate for all lots and shall be collected on an annual basis unless otherwise approved by the Association.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments for all lot or property owners, except for the Declarant, or any successor developer/Declarant, shall commence on the 30th day following the conveyance of the first parcel or property of the Common Areas by the Declarant to the Homeowners Association, except that any and all property owned by the Declarant in the subdivision, shall be exempt from any and all assessments of the Homeowners Association until such time as all of the lots or properties in the subdivision have been sold, and title thereto has been deeded and transferred out of the name of Declarant. In addition licensed Builders shall be exempt until such time as any such lot is occupied as a residential dwelling. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessments against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto, and/or posted on the Common Area Property. The due dates shall be established by the Declarant, or the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association

setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of fifteen (15%) percent per annum. If any such sum shall not be paid when due, the Association shall have the right upon not less than fifteen (15) days notice to the lot owner, to collect such sum by suit at law, and by all other legal means, and to add to such sum and collect reasonable attorney's fees, and all other costs and expenses incurred by the Association in connection with the collection therewith. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, or abandonment of his/her/its lot.

The Assessment Charge provided for herein shall be subordinate to the lien of any unpaid real property taxes and any recorded mortgage on said property. Mortgagees shall have no responsibility for collecting assessments from Owners. Pursuant to the policies of the United States Department of Housing and Urban Development and the Veterans Administration, or similar governmental entity, it is not intended that failure to pay any Assessment Charge shall be a default under the terms of any mortgage insurance by the United States Department of Housing and Urban Development and/or the Veterans Administration, or similar governmental entity. The Declarant and/or the Association shall have the right to assess fines, and suspend the voting rights, and right to use of common property by any lot owner for any period during which any Assessment shall remain unpaid.

ARTICLE V

ARCHITECTURAL CONTROL

No building, outbuilding, landscaping (the entire lot to the street/road curb area), fence, wall, garage or other structure, or improvement of any kind or nature shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to, or change, or alteration thereto be made until the complete plans and specifications showing the nature, kind, shape, height, materials, roof pitch, foundation elevation of the dwelling, dwelling square footage and location of the same shall have been submitted to, and approved in writing, by the Architectural Review Committee as to harmony of external design and location in relation to surrounding structures, topography, development scheme, and the developers design intent for the Subdivision. The Architectural Review Committee is authorized to consider a smaller dwelling that set forth above, only

after a finding, in writing, by the Architectural Review Committee that such smaller dwelling, considering the cost, design and location within the subdivision, and other relevant factors, will not detract from the aesthetic quality and appearance of the remainder of the Subdivision, and will not significantly diminish the value of other lots within the subdivision. NO fence of any type located anywhere in the subdivision, may be constructed, located or erected on ANY lot without first obtaining written approval of the architectural review committee. The architectural review committee shall be composed of three (3), or more, representatives appointed by the Declarant who will review and who **MUST** approve all such plans and specifications as set forth above. The initial Architectural Review Committee members shall consist of Tyler B. Dunlap, Jr., Deena Mark, and Louis Tisdale and any such successors, or additional members, as a majority of said members, or the Declarant shall appoint. In the event said committee fails to approve plans and specifications submitted to it within thirty (30) days after said plans and specifications have been received, then such plans, design and specifications shall be deemed disapproved. The Declarant shall have the right to assign all duties of the architectural review committee herein to the Home Owners Association, if and when the Declarant determines same is necessary or desirable. Any costs of review or action by the Architectural Review Committee shall be solely borne by the Applicant requesting such action. In order to compensate any consulting architects, landscape architects, urban designers or other professional, the Architectural Review Committee may establish a fee to cover the expense of reviewing plans, specifications, and related data that are submitted for review and/or approval. In addition, the Committee may set and collect such fees and security deposits necessary to insure that all landscaping and other development and/or construction requirements are met by each lot owner and/or builder/contractor. The Architectural Review Committee is further vested with the right to issue rules and regulations, which shall be posted in the Subdivision and/or published, mailed or provided, to each property owner, which it deems necessary, or desirable, to insure the implementation and compliance with any provision of these Protective Covenants relating to the construction, maintenance or upkeep of drainage facilities and devices, landscaping practices, storm or surface water control, buffer areas, erosion control procedures and equipment, lot maintenance and upkeep, and any other matter that the Committee feels will affect the health, welfare, appearance and aesthetics of the Subdivision as a residential area. Landscaping requirements must be met prior to the issuance of a Certificate of Occupancy by the Sumter City/County Building Department, or appropriate agency of local government, and prior to removal of any stormwater best management practice structures. In addition, the pervious areas of each front yard must be sodded for the entire width of the front yard to the curb line. At least one (1) fifteen (15) gallon live or willow oak must be planted

along the street frontage of each lot. The Owner/contractor shall make provisions for the watering of each tree to insure survival and the lot owner will be responsible for replacing any trees that die. All Oak trees in this Subdivision are considered protected. No Oak trees are to be removed or damaged. The removal or damage to an Oak tree will result in fines, and other punitive action, based on the City of Sumter ordinances, codes, and laws relating to damage assessment and mitigation expenses regarding same. Smaller Oak trees in located within the building area footprint may be removed only with approval of the Sumter City/County Planning Commission and/or the Architectural Review Committee.

GENERAL PROVISIONS

1. No structure, or improvement, of any kind, type or nature shall be placed on or erected on any lot, and no use shall be made on any lot or property subjected to these restrictions, including model homes, until approval has been received in writing from the Architectural Review Committee.
2. No lot or property referred to herein shall be subdivided or reduced in size without the written consent of the Architectural Review Committee, or the Declarant. The Architectural Review Committee is specifically authorized to modify or change lot lines and sizes, when it deems same necessary or desirable, or needed to prevent undue hardship.
3. The placement, design, type, color and lettering of any mailbox or delivery receptacles, and its support and/or structure must be approved by the Declarant, or the Architectural Review Committee, together with property identification markers. No mailbox, or delivery receptacle, may be erected or placed on any lot until its approval, in writing, has been obtained as set forth herein.
4. The building setback line on lots, or properties, may be variable. The setback line shall not depend on the setback of other lots, or properties in the subdivision, but shall be as defined on the subdivision plat, by city ordinances, or as otherwise set by the Declarant and/or the Architectural Review Committee, so long as same is not in violation of the ordinances of the City of Sumter.
5. No noxious or offensive activity shall be permitted upon any lot or property in the Subdivision, and nothing shall be had, or done, thereon which constitutes or becomes an annoyance or nuisance to the neighborhood as a residential area. No hogs, goats, cows, horses, chickens, or other such animals or fowl shall be allowed or kept on any lot hereby conveyed. No use shall be made of, or any condition

allowed on any lot that would, or could, pollute the water of any lake, stream, water way or pond located in or near said subdivision. It is expressly understood that no animals, or fowl, of any kind or nature shall be bred or reared for commercial purposes on any lot in the subdivision. Property Owners may keep allowed domestic pets, provided they do not disturb other residents by excessive noise, barking, odors or damages. All pets must be kept on a leash, or carried when not on their lot or in a common area or streets and roads. The pet owner shall also dispose of any waste material from pets when in the common areas or streets and roads, and failure to clean and remove said waste shall be deemed a nuisance. The Board of Directors of the Homeowners Association shall have the right to order the removal of any pet deemed a nuisance, in its sole discretion, and such action shall be done without any compensation to the Owner of the pet. When and if such action is necessary, the Board of Directors of the Association shall give written notice to the Owner of the pet, who agrees to immediately permanently remove said pet from the subdivision.

6. No boats, trailers, trailer hitches, campers, recreational vehicles, or any vehicle larger than a standard passenger vehicle, or other self propelled vehicles shall be stored on any lot in the subdivision, except in the rear one-half ($\frac{1}{2}$) of a lot, or within an enclosed garage. No inoperable nor any unlicensed motor vehicles shall be allowed on a lot for a period of more than thirty (30) days unless stored within an enclosed garage. All such vehicles shall be screened from view of the streets and adjoining lots. No unmuffled motor vehicles of any type shall be operated in the subdivision. For purposes of the is paragraph, a pickup truck, jeep, and other vehicles of somewhat similar size and use shall be included within those vehicles considered standard vehicles.

7. All rubbish, garbage and trash shall be kept in closed cans or other suitable containers approved by the City of Sumter and out of sight from the streets and roads in said Subdivision and located as directed by the Homeowners Association. No clothes line shall be allowed to be visible from any street. All lots, property and premises shall be kept in a neat and clean condition at all times. Any climbing plants or vegetation of any kind, placed or allowed to remain on any fence or wall, building, or along a property line, shall be maintained by the respective lot owner, who must keep same in a neat and attractive condition and in compliance with the directions of the Architectural Review Committee.

8. The Subdivision is designated as a bird sanctuary. There shall be no trapping, hunting, shooting, or attempting to shoot, harm or molest in any manner any bird or wild fowl, including the nest and eggs thereof, except to prevent a nuisance or to eliminate a menace

to health and safety.

9. An easement is reserved unto the Declarant, or his successors or assigns, over 8 feet on the front, and 5 feet on each side and rear of each lot hereby conveyed for the purpose of utility installations, drainage, and for the operation and maintenance thereof for all utilities supplied to the Subdivision. The undersigned Declarant further reserves the right to subject the real property described herein to a contract with Progress Energy Carolinas, Inc., or any other utility supplying utility services to the Subdivision, for the installation of underground, or above ground, electric lines, cables, or any other type of data or electronic signal transmission or delivery systems, and/or the installation and maintenance of street lighting, information, security, and/or protection systems, any one of which, or all, may require an initial payment and/or continuing monthly payments to Progress Energy Carolinas, Inc., and/or the utility service provider, by the owners of said properties herein described, pro-rated so that each lot/property owner will be responsible for his/her/its pro-rata share of any such utility service provided.

No utility may install or provide its services to the Subdivision without prior written recorded approval of the Developer (Declarant) or the Architectural Review Committee. Additional easements and/or rights of way for the installation, maintenance and upkeep of utilities are reserved to the Declarant and/or his assigns. Any installation or maintenance work done in the Subdivision must be accomplished in such a manner as to cause the least disruption to the property owners in the Subdivision, and any such work by any utility must include the restoration of the property to the condition that existed prior the installation or maintenance performed therein. All easements set forth in Article II of these protective covenants are expressly restated and reserved to the Declarant, or his successors in title for the benefit of all property owners.

Further, an easement is reserved to the Declarant and/or the Pocalla Springs Homeowners Assn., Inc. on all pond lots for the general maintenance, shaping, construction and upkeep which shall extend from 25 ft. upland of the shoreline extending to the rear of the property line in the pond.

10. A plot plan showing the position of any improvement to be constructed or placed on any lot or property in the Subdivision must be presented for approval before any clearing is done of any trees or shrubbery, or the lot or property is graded or changed in any manner. In addition, a sketch plan showing the front and rear elevations and such other information deemed necessary by the Architectural Review Committee must be presented prior to the commencement of any such improvements or clearing. Landscaping, sodding, irrigation systems and type and number of plantings on each

lot shall be as required by the Architectural Review Committee. Once construction has been commenced on any lot, then same must be completed within twelve (12) months, unless extended in writing by the Architectural Review Committee. It is further expressly understood that the property owner will keep his/her/its lot clean, neat, mowed and free of overgrowth, trash or debris and that if same is not put in such condition within thirty (30) days after written notice of from the Architectural Review Committee, then the developer (Declarant) shall have the right to take such steps and corrective action to have said lot cleaned, mowed or cleared at the sole expense of the property owner, who consents to pay any such costs by accepting title to such property subject to these protective covenants. Failure of the property owner to reimburse developer (Declarant) and/or the Association for such cleaning expenses shall entitle developer (Declarant) and/or the Association to take action to obtain a judgment for same, with all costs associated therewith being taxed and assessed against the lot owner, including reasonable attorney's fee and court costs associated with same.

11. No sale, rent, advertising signs, banners, or billboards shall be erected on any lot, property, building or improvement of any type on any lot, nor may they be displayed in any form to the public, except as specifically approved in writing by the Declarant, or Architectural Review Committee. For guidance it should be noted that only one (1) such sign, which must be professional, and not more than five (5) square feet advertising a lot or dwelling for sale or rent, or used by a builder or contractor to advertise construction upon a lot may be approved.

12. No solar panels may be constructed, or erected, on any lot in subdivision without the prior written approval of the Architectural Review Committee.

13. It is understood and agreed by all residential lot owners that the Declarant shall be responsible for the installation and maintenance of storm drains, control or surface water, and maintenance of streets until such time as said streets and/or roads and systems are conveyed to the Homeowners Association who will accept the maintenance therefor, and/or they are dedicated to the City/County, or State government for maintenance.

14. It is understood and agreed by all residential lot owners that the Declarant and/or the Association shall be responsible for the installation and maintenance of storm drains, control of surface water, and maintenance of streets until such time as said streets and/or roads and systems are dedicated, ^{and} conveyed and accepted by

the City of Sumter for maintenance. All responsibility for storm drains, control of surface water, retention or drainage ponds, or similar structures, shall be solely borne by Pocalla Springs Homeowners Assn., Inc., or its successors and assigns.

Residential subdivisions require erosion control features for infrastructure as well as for individual lot construction. Developers, Builders, Contractors and individual property owners must follow required plans during construction, or provide an individual plan meeting the requirements of Section R.72-307 of the Storm water Management and Sediment Reduction Act. The owner/grantee of any lot and/or tract in the subdivision by acceptance and recordation of a deed/title to said property accepts the terms and conditions of project SWP3 as required by the general National Pollutant Discharge Elimination System (NPDES permit number SCR100000) issued to the Declarant developer and/or its successors and assigns. Further said property owner/grantee acknowledges that they will become a Co-permittee with the Owner/Operator (Declarant/developer) as well as other contractors that have become co-permittees to the general NPDES permit issued to the owner/operator of the facility (the Declarant or his, her or its successors and assigns). By acceptance and recordation of a deed to said herein described property the owner/grantee acknowledges that they will be legally accountable to the SC Department of Health and Environmental Control (DHEC), or its assigns, under the authorities of the Clean Water Act (CWA) and the SC Pollution Control Act to insure the compliance with the terms and conditions of the SWP3, and further that DHEC enforcement actions may be taken against any specific Co-Permittee, or combination of Co-Permittees, if the conditions of the SWP3 are not met. Storm water best management practice provisions must be in place for each lot prior to the issuance of the dwelling building permit and prior to any soil disturbing activity associated with the preparation of a lot for dwelling construction. Silt fences must be placed along the frontage of each lot abutting the matting along all curb frontages. The bottom three (3) inches of silt fences should be trenched in below ground level. Silt fences must be placed on each side of the lot or properly attached to existing side line silt fences. If an attachment is made to an adjoining silt fence and it is removed prior to completion of construction, it must be replaced by the lot owner. Also, each lot owner/contractor/builder is responsible for proper maintenance of silt fences. Further, silt fences must be placed on the rear of the lot if topography is such that surface drainage for that lot flows toward the rear of the lot. If surface drainage flows toward the front of the lot, a rear silt fence may not be required. A driveway with ballast rock is to be placed for construction purposes for each lot out of the curb line. The sides of the driveway must be lined with silt fences to the curb line. If a contractor/owner has several contiguous lots, silt fencing may be placed on the outer perimeter of the lots and omitted on the interior lots. This provision is to facilitate staging of materials. A designated material staging area may be designated and

protected by best management practice provisions in a like manner. Also a driveway may be shared for the contiguous lots as long as there are no other gaps in the silt fencing. Side line silt fencing must be added for the remaining lots if the dwelling is completed and the best management practice provisions are removed. In all cases, the lot owner/contractor is responsible for any sedimentation escaping the lot(s) and will be solely responsible for any cleanup and/or regulatory fines. Repeated violations of these requirements by contractors, builders, subcontractors, and vendors may result in revocation of access to the said subdivision by said violating party. In all cases the Owner/Contractor named in the building permit(s) will be held responsible for actions of subcontractors and/or vendors. This development falls under the provisions of the current local and State Storm Water ordinances/laws which require each lot owner/contractor to sign co-permittee agreements for storm water best management practice provisions. A copy of said permit must be onsite with all other required posted permits. Also, the Owner/Contractor of each lot is solely responsible for maintaining and complying with the best stormwater management practice provisions and having inspections made by a certified inspector and then complying with the terms and conditions on submission of the reports as required by state law and local ordinances. The owner/contractor must submit a copy of the co-permittee agreement with any application for a building construction permit.

15. No lot or property owner, excluding Declarant, shall excavate or extract earth for any personal, business or commercial purpose. No elevation changes shall be permitted on any lot or property which materially affects surface grade of said lot, or surrounding lots and properties, unless approved in writing by the Declarant or the Architectural Review Committee.

16. No yard ornaments, statutes or figurines of any kind, including bird baths, shall be allowed to be placed on any lot without the express written permission of the Architectural Review Committee. All holiday decorations must be removed within a reasonable time after the passing of the holiday date, as may be established by the Architectural Review Committee and/or the Declarant.

17. No radio or television transmission or reception towers, disks, satellite dishes, or antennas of any type, shall be erected on any lot or property, unless approved in writing by the Architectural Review Committee. As a matter of guidance, no such antennas, or dishes, or receivers of any kind or nature, shall be erected, or placed so that they are visible from the Street fronting the lot. In addition all heating and air conditioning units shall be installed, or screened by shrubbery, and/or fencing approved by the Architectural Review Committee, so that same will not be visible from the front street.

18. Neither Declarant nor any member of the Architectural Review Committee shall be responsible or liable in any way for any defects in any plans or specifications submitted and approved by the Architectural Review Committee, or Declarant, nor for any structural defects in any work done according to such plans or specifications. Further, neither Declarant, nor any member of the Architectural Review Committee shall be liable in damages to anyone submitting plans or specifications for approval under these restrictions, or to any owner of any lot or property affected by this declaration by reason of mistake in judgment, negligence or nonfeasance arising out of, or in connection with the approval or disapproval, or failure to approve or disapprove of any such plans or specifications. Every person, or entity, who submits plans or specifications to the Declarant, or Architectural Review Committee, agrees by submission of such plans or specifications, that he/she/it will not bring any action, claim, demand or suit against the Declarant, or any member of the Architectural Review Committee, for recovery of any claim, expense or damages, of any kind or nature.

19. All driveways, sidewalks and entrances to garages or homes shall be concrete, or a substance approved in writing by the Declarant, or Architectural Review Committee, and of uniform quality. There shall be NO curb cuts without prior approval of the Architectural Review Committee. The Declarant reserves to himself, and his successors and assigns, the right to relocate, open or close streets in the subdivision, and to review, re-subdivide and change the size, shape, dimensions, and locations of lots, properties, and streets, whether or not they are shown on a recorded plat, or on a promotional display, or on a lot or property layout plan. Each Lot owner/Builder/Contractor shall be responsible for the construction and pouring of a concrete sidewalk on his/her/their/its lot on the front using such materials, and constructed and located as approved by the Architectural Review Committee, in writing, to be located four (4) feet behind the curb line on all street frontages when the concrete driveway is poured. The sidewalks are to be four (4) ft. in width and a uniform four (4) inches depth and must be completed prior to the issuance of a Certificate of Occupancy by the Sumter City/County Planning Commission Building Department, or other designated agency issuing certificates of occupancy, and be constructed by each adjoining lot owner so as to create a uniform and even sidewalk throughout the Subdivision. Each said Lot owner by accepting title to their lot expressly agrees to abide by all location and construction requirements of the Architectural Review Committee regarding the construction, maintenance and upkeep of said sidewalk located on their lot. An easement and right to cross, and re-cross, each said lot limited to the sidewalk area, as constructed, is reserved to all property owners in the Subdivision.

20. It is understood that the herein protective covenants shall be appurtenant to and run with the land, and in the event of the

violation of any of the said restrictions, Declarant, the Association or any other lot or property owner shall have the right to abatement and the right to enforce compliance by injunction or any other appropriate remedy without liability for damages. The protective covenants shall be construed for the benefit of the Declarant alone, who reserves the right to alter, amend, or release the same at will, without any required consent or approval from the Association or any other lot or property owner.

21. If any sentence, clause or paragraph of this Declaration shall be found by a Court of competent jurisdiction to be invalid or unenforceable, it shall in no way affect the validity or enforceability of any other sentence, clause or paragraph thereof.

22. The covenants and restrictions of this Declaration shall run with and bind the land and all parties acquiring same as well as their successors in title, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. Until such time as the last lot, or property, in the subdivision has been sold and deeded out of the Declarant, or his successors, the Declarant, and his successors, reserves the right to amend, modify and change these protective covenants and restrictions without being required to obtain approval from any other property owner. After Declarant sells and conveys title to the last lot in said subdivision, then these protective covenants may only be amended by an instrument signed by not less than seventy-five (75%) per cent of the Lot Owners in said Subdivision. Any amendment must be in writing and recorded in the Office of the Register of Deeds of Sumter County.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto set its hand and seal this 10th day of December, 2012, at Sumter, South Carolina.

(here)

Notary Public for SOUTH CAROLINA
My Comm. expires: 5-28-2018.

LEGAL DESCRIPTION-EXHIBIT "A"

All those certain pieces, parcels and tracts of land with improvements thereon, situate, lying and being in the City and County of Sumter, State of South Carolina identified as Phase 3 of Pocalla Springs Subdivision containing twenty (20) Lots identified as Lots 7A through 19A and Lots 22A through 28A, all as more fully shown on a plat thereof prepared by Louis W. Tisdale, P.L.S. dated December 5, 2012 and recorded in Plat Book 2012 at page 258, records of Sumter County.

Aforesaid Plat is specifically incorporated herein and reference is craved thereto for a more complete and accurate description of the metes, bounds, courses and distances of the property concerned herein. This description is in lieu of metes and bounds, as permitted by law under Section 30-5-250 of the 1976 Code of Laws of South Carolina, As Amended. Be all measurements a little more or a little less and according to said plat.
